

US NAVY MEDICAL COMMAND

Instructions for Activity Registration

IMPORTANT, PLEASE READ: The Accreditation Council on Continuing Medical Education (ACCME) requires all accredited providers to submit the total number of physician and non-physician attendees. In this regard, ALL attendees in a CME activity, regardless of discipline, must be registered. When the course is completed, attendees must return to this website and complete an evaluation form and request for credit form before the CME certificate may be printed.

Each user needs only one set of logon ID and password for the CME website. You may register for multiple activities. In Regularly Scheduled Series (RSS), register only once (per activity), your registration will carry you through the end of the RSS cycle which is 30 September. If you need registration assistance, please contact your local CME Planner, CME Director or the central CME Office at 1-877-MED-NAVY (1877-633-2769), menu 6.

Note: *If you need assistance connecting to this site or if you are experiencing system malfunctions, call the MODS help desk at toll free 1-888-849-4341 or 703-681-4976 or DSN 761-4976.*
