

**NCR Opioid CPG Implementation Champions Workshop**  
Practical Tools for Opioid Prescribing and Monitoring  
National Capital Region Substance Use Disorder Symposium  
Location: Bldg 19 First Floor/ Shore Conference Room 1118  
September 26, 2018

**Summary:**

According to the CDC, a quarter of the patients prescribed opioids will struggle with opioid addiction. In the advent of the “Opioid Epidemic,” providers need to know the recommended guidelines for prescribing opioids and risk mitigation strategies. This workshop presents an overview of guideline concordant care.

**Agenda**

- |           |  |
|-----------|--|
| 1300-1350 | VA/DOD Guidelines<br>Red Binder<br>Pain Champions Responsibilities   |
